Work Experience

Data Analyst Intern | IIT Bombay Development and Relations Foundation (currently present)

Web Developer Intern | Edunet Foundation (AICTE & EY-GDS) Feb 2025 – Mar 2025

- Developed a full stack food delivery website using **MERN stack**, improving understanding of scalable web architecture.
- Built and deployed RESTful APIs for authentication, order handling, and user management

Education

Bachelor's of Science (Bsc) – Information Technology	Bunts sangha's SM Shetty college of Science, Commerce and Management, Powai	2022-2025
Higher secondary certificate (XII)	National Education Society (NES) college of science, commerce and arts, Mumbai	2020-2022
High school (X)	Kendriyan Vidyalaya IIT Powai, Mumbai	2019-2020

Project Work

- Smart Budget:** Developed a financial management tool enabling users to track income, expenses, and financial goals in real time. Built dynamic dashboard with interactive charts. Integrated CRUD operations for income, expenses, goals, and reports with real-time updates using MongoDB & Express APIs. Designed responsive front end with React and Redux Toolkit for state management, enhancing usability across devices.
- LuxRide:** Built a website where people can buy or rent luxury vehicles like bikes, cars, and private jets.

Hobbies

- Travelling
- Photography
- Playing Football
